CRYSTAL DAWN SMITH RILEE SCHOLARSHIP
\$2,000 Scholarship

Due the first Monday in April to your Scholarship Representative

Crystal Dawn Smith Rilee was the last member of the Parrett family to be born and raised on Parrett Mountain. At a young age Crystal developed an understanding of the hardships required to carve a living from the land. At the same time, she developed a passion for family history and a fascination with how her family had helped shape the land and how the land had shaped their lives in return.

Leaving Parrett Mountain to pursue a career in government service during World War II, she met and married a Navy man, Robert Rilee. Together they returned to Parrett Mountain in 1953. As the decades passed and Portland's suburban development reached the mountain, Crystal and Bob became deeply concerned about the future of her family's land. Their most fervent wish was that the remaining 368 acres of land, history and traditions be preserved.

Upon their death, the land became a part of Chehalem Park and Recreation District to be preserved for the people of our area for generations to come. Her wish was that farming and its rich traditions be furthered by a scholarship to be presented to young students in our area. This is the Crystal Dawn Smith Rilee Scholarship now being conferred.

A one-year scholarship will be awarded to a Newberg or St. Paul High School Senior
